VITA/Harvey Events

- ❖ Gloria Luna explained all DCM's are not invited to these events to avoid client confusion. Assured that these cases will be distributed accordingly for the simple fact that UWBC cannot handle the workload.

Jaime Brown provided this screen shot to help CAN user see DART entries.

The screenshot shows a web application interface with a navigation bar at the top containing four tabs: "Search Form", "Qualifications", "Search Results", and "DART Results". The "DART Results" tab is circled in blue. Below the navigation bar, there are two main panels. The left panel, titled "Client Contact Info (Cross Site Search)", contains four sections: "First Name", "Last Name", "Date Of Birth", and "FEMA Number". Each section has a "DART Search Field" with a dropdown menu set to "Contains" and an adjacent text input field. The right panel, titled "Household Members", contains five sections: "First Name", "Last Name", "Date of Birth", "Gender", and "Relationship". Each section has a dropdown menu (set to "Contains", "On", "Includes any", or "Includes anv") and a "Plea" button.
